EPEW

2009

6th European Performance Engineering Workshop

Imperial College London
9–10 July 2009

Important Dates

Submission deadline: 13 February 2009

Author notification: 10 April

Camera-ready copy: 17 April

Workshop: 9–10 July 2009

The Workshop

The European Performance Engineering Workshop is an annual event that aims to gather researchers working on all aspects of performance modelling and analysis. We solicit original papers on performance evaluation techniques for computer and telecommunication systems analysis.
